TERMINAL DISCLAIMER

SIR:

The owner, United Technologies Corporation, of one hundred percent (100%) interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior United States Patent No. 6,587,741, filed on March 7, 2000. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims canceled by a Reexamination Certificate, is reissued, or is in any manner terminated prior to expiration of its full statutory term as shortened by any terminal disclaimer.

Statement of Common Ownership:

The instant application and the prior patent, U.S. Patent No. 6,587,741, at the time the inventions were made, were owned by or subject to an obligation of assignment to the same entity, United Technologies Corporation.

Check either box 1 or 2 below:
